I met with Michelle Gates the MOSES attorney today and the show cause hearing is scheduled for March 7<sup>th</sup>. I also advised Ms. Gates that I expected that Ms. Dookhan would receive a notice placing her on administrative leave today. I have a hearing officer available for the hearing. I am meeting with Steve Chilian tomorrow to review his report, decide on witnesses I will prep for the hearing, and the final iteration of the show cause hearing notice which I will be having Linda sign. I have just spoken to Linda and advised her to go ahead with the administrative leave and I will continue to proceed with the hearing unless advised otherwise.

I received that attached from AD. I have notified Susan who in turn has attempted to contact JN and LH at Lab. Not clear whether the letter was unsolicited or requested. Need to discuss.
